Dear Board,

I have an Old Town Discovery Sport 13 for sale. 13' L X 42" wide green Polylink 3 canoe with a square stern that will take up to a 3.5 HP motor. It comes with a set of 7 foot Carlisle oars. It has always been garage kept so it isn't faded or sun damaged in any way.

It moves well with a 36 to 45# thrust trolling motor if you want to go that route though I don't have a trolling motor to offer with the boat.

\$ 500.00

Regards,

Tim Murphy 😊
