I usually go to crossroads market and drop my wife and I go fish the Wic or Mahantongo, I have not fished up on Rattling, Might have to give it a go..

BTW, there is a really neat home for sale on the banks of the wiconisco, It has like 30 acres with it a lot of it is creekside, I think the asking price is in the \$300's! I caught the biggest brown of my life fishing near here!
