St. Croix Legend Elite rods are very good.

I'd go for the 9 footer because in NEPA you have big water, i.e. the upper Delaware and the Lackawanna. And that will also be good for Penns, Spring, Pine, Kettle etc.

If you are also interested in the smaller stream fishing, then also get a 7 1/2 ft 4 wt.

With those two rods, you're ready for any trout fishing in PA.
