This sounds like a sort of dream come true! I have never been on a 'fishing trip' in my life. Sure, drive to the local creek for a day, but never stay at a nice place overnight for the sole purpose of fishing. Though, with my lack of success in August, that outta be high on my priority list!

I'll gladly throw my hat in, but just appreciative that you offer great opportunities like these to folks on this site! That's pretty awesome.
