Hope to see some of you out there. If anybody wants to meet for breakfast or early morning fishing or both let me know I would be interested.

The show starts at noon on Friday and 8am on Sat/Sun. I have to set up my booth Friday morning and am a bit too far for a morning get together on the weekend. I'll be in building "T" (or BT) - drop by and say "hi." The weather looks cool and very nice for the weekend - would be a nice opportunity to hit the show and then fish Letort, BS, YB, Susky etc. Gonna be a great weekend - hope to see yuh there.
