I say "cram the head with as much as you can." Well... at least that's what I do most of the time.

BEAUTIFUL tie, Turkey!

How's the little one?

Hi David. Thanks man. The little one is great. She has a good pinch wrap for setting wings but she still needs her diapers changed for her. One thing at a time. One of these years we'll have to get a beer or maybe even fish. I Hope your fam is well.
