Steno - Black Shirt?

I have to say this. This site has been fantastic to me in so many ways. From the start of me getting into FF the good people on this site have been supportive and helpful. Most recently we had a meet where Old Lefty showed me the ropes and we really had a great time.

I am very grateful for this site and the supportive fly fishing community in PA. It has given me a lot more enjoyment from this sport. I look forward to helping our community grow and celebrate our rich heritage we have in this state.

Old Lefty - I owe you. I would have had no idea what to do if we didn't meet before the comp. Thank you for taking your time to do that! You're a great caster but I think you are an even better teacher! Thank you.

If you guys ever want to get together and set up a course I would be interested. It's fun to play around on and learn about techniques.
