Yeah I'm totally the opposite. I only have the weekends to make a drive like that. I should have taken advantage of the long summer nights and gone on days where I get off at 5:15. I could have been there by 6:45 and had a few hours to fish.

My next half-day during the week is Oct. 9th. I leave for the Smokies on Oct. 10th though. Not sure my wife will be keen on me fishing all afternoon/evening the day before.....
