Better question...why does the "the" annoy people that live near Philly?

Is it bc they call NYC "the city"?

Go ask someone from the Philly area to meet you in the middle of "The City" and you may end up waiting a long time, since you'd be standing on Broadway and they'd be standing on Broad Street.

By the way, I grew up fishing "The River." That river was the Susquehanna, since I grew up along it's banks. The River, the City, or Downtown has a different meaning, depending on where you hail from....
