ok, I knew that I was going to get slammed on this one after clicking submit.

I was just wondering if one of you guys bought them and had a review as I could not find any reviews yet. there was a hot chick on you tube describing the new boot although she didn't look like she used them.

gfen, do you have the step by step tutorial on how to research this on google....i saw your link on another post a couple of weeks ago that made me laugh.
