Oh is that a reverse spot burn fishidiot?

LMAO! Here are all my susky spots....City Island, Fort Hunter, Manhantango, Wylusing, Laceyville, Amity Hall (Juniata), New Buffalo, Clemson, Montgomery, above the ferry ledge, below the 83 bridge...The narrows isn't any secret and gets hit the hardest...kinda a pain to row in. Want direct instructions to catch a 20 inch plus? I sent you one over a year ago. Next time I'm cruising up past Gettysburg at 4AM I'll beep my horn to let you know I'm going to slay 'em.
