And RIGHT by 7 mountains you have that little bar, Brownies I think it's called. They have TV's I think. It's a dive bar for sure, but they have beer and it's only like a mile from the campground.

And if you don't want to go the whole way to State College, you can probably find something in Boalsburg. Duffy's Tavern. Kelly's (the one with the cow on the roof). They probably have TV's at the bar, I know Kelly's does. Other than Brownies, those are probably your closest options. It's still almost into town, but on the right side of town if you know what I mean.
