Thanks for the info and well wishes!! oh yeah, I'm planning on relaxing a bit, it's been one hell of a busy summer and I'm due for a few days of just chillin. I'll be sure to give a full report when we get back. It's gonna be a long 7 days till next wed, that's for sure, and the time spent down there will fly by.  
anyways, another question to those that have stayed there, what did you do for food? I know there are stores in Seneca rocks and Petersburg, any decent restaurants nearby? I believe the cabins have full kitchens, so cooking is no problem. Might have to go over the mountain for a hellbender burrito or visit the purple fiddle!!  
Now, what rods to pack??!!!!
