I buy and bum! Hi everyone I'm still hangin around, I haven't been fishing for a long time but I'm thinking about going over to the Run next week, I'll let everyone know how I do.

One of the things I missed out on is tying my own flies, just never had the time in my younger days. If I had it to do over again I would tie, it's a big part of flyfishing IMO.

I will say I had some friends that where very good at tying !
