Hey everyone, Shadow Fly Fishing here.

We are excited to announce we are now partnered with our home state fly fishing forum: PaFlyFish.com

You might have come across our products by now via online magazine write-ups or customers posting about our Fly Rods. You may have even tried out our rods in the Neshannock Creek Fly Shop in Volant PA.

To get you guys as excited as we are, we are going to give away one of our 9ft 7wt Shadow Warrior rods just in time for Erie Steelhead, right here on the forum. Simply leave a line below and you will be entered into the giveaway.

I was very pleased to see some of the Shadow rods being fished today in Erie. Everyone was catching fish, and I think it's safe to say the Steelhead season has begun! We caught fish all day at Walnut Creek and ended up leaving a little early due to increased crowds. Thanks for the positive feedback I received from some of you on the creek about the rod.

The Shadow Warrior 9ft 7wt is a 2.95oz fast action rod that comes with an extra tip section and a lifetime warranty. Check out more details on our website.

Good luck in the contest and we can not wait to hear from everyone in the future.

We are in the process of growing and look forward to seeing everyone on the water.
