Back in the summer at the "Newbie Jam" on the LL I fished the afternoon thru the Heritage section esp. the "Kids Pool". Those trout had been fished over and pounded all day long. In about a half hour I caught a half dozen of those trout on my own beadhead "Micro" GW. Cathy G.(a member here) is my witness. She saw it with her own eyes. They(GW) work on stocked and wild fish both. It is one of my go-to flies for summer. Now if I could just get Shane to learn how to fish one! 😊
