Looks like the grand opening is scheduled for November 9th, if anyone is interested.

<http://www.orvis.com/pittsburgh>

Not sure I can afford the prices, but I have to credit them for getting me into fly fishing. I went on a business trip in February of this year to Atlanta, and there was an Orvis shop right next to my hotel. Went in and looked around and got me interested in this over bait/lure fishing, and haven't looked back since....
