Fishidiot and I went to the PFBC Big Spring Meeting last night. The format was modified to be more of a workshop. The PFBC asked specific questions and gathered the feedback to be reviewed. Very civil and a well organized meeting.

Prior to the meeting Dave and I meet up at Big Spring to check out the work done on Phase 2 of the creek. Looked great with a lot of improvements done to help trout and anglers in that section.

Dave and I will be working on a writeup to provide more details on the Phase 2 project and meeting. Good to see just_jon at the meeting.
