Creek is only 48 miles from my home .. does it fish well all year round?

It's a limestone. Stays cool in the summer, and warm(ish) in the winter.

The TT section is open year round to fishing. The rest of the stream is ATW.

Is it easy fishing? No. These are mostly wild browns, and they don't see the year round fishing pressure that the fish in the LL do. If you can catch fish on Valley Creek, you'll do OK here. Same kinda game.
