Hi Rick, I just looked my FB msg's and look like we sent you a reply on the 18th. Here is a copy of the FB msg.

.....

Hi Rick, Yes, the Kraken will have no issues in cold weather. AJ who takes care of our customer service emails lives in Buffalo and uses the reel in the winter with no issues. Also, all 3 of us are heading back from Cabo right now and the Kraken caught over 20 dorado and skip jack tuna with no issues at all.

.....

Let me know if I can help with anything.

Thank you,

Justin
