We had planned to golf Thursday morning but I think martin and Phil are coming Wednesday morning so we can move the golf to Wednesday.

The forecast is nice for being outside but maybe not so great for fishing. Bright sun will limit top water until late in the day. Not sure of the fishing Thursday but floats might be limited to the main which is fine with me. West may be doable if it doesn't drop anymore. I would guess we will be assembled, rigged and ready to get shuttles started around 8:45-9am. From there it takes another hour or so to actually get shoved off and floating. It's always chaos of some sort until we're on the river. I'll PM my cell number.
