I just bought a Shadow Warrior 9ft 5wt rod from Shadow Flyfishing. They are a PA based rod company that offers a rod with two tips. I asked if they would include a demo for the jam ans they are sending one with the rod i ordered. <http://www.shadowflyfishing.com>

Let me be clear. The demo rod is for all of us to enjoy and cast but must be returned unharmed. I'll eat the rod if broken so Greg is out.
