Hope you guys enjoy fishing the demo at the meet. The demo will be for sale but can not be given away. If you are looking for a freebie head over to the "shop talk" forum to enter yourself in the 7wt giveaway we have going on right now.

Do not be afraid to put a beating on the demo.. I could use the pictures of fish and really want you guys to put the rod to the test. If anything happens Bruno said he is paying for it, so no big deal lol.

Thanks guys!

Bruno, if something happens to the rod its covered, thanks for taking it to the meet!
