had a great trip, left wed afternoon, came home sunday, I added a couple days to the 2 day prize, nice mini-vacation. weather was perfect, stockies were willing, cabin was great. spent mornings and early afternoons blitzing the backroads on the motorcycle, then back to fish around 4 or so, till dark. lots of fish sitting on bottom of pools, but in the faster water, found active fish and had fun with risers every evening. I didn't bother going brookie fishing, most of the creeks were very low, too low for me to mess with them.

All in all, a really nice place, girlfriend already wants to return next year.

Thanks to Todd and the crew for donating the prize, and for running one hell of a nice operation!
