Fly Box Blowout!

Save 25% on all fly boxes!

Our fly boxes are some of our most popular items. From the stylish SLIM box, the huge briefcase box, the classic aluminum box, or the dependable waterproof boxes, everyone loves them. Now you can stock up on boxes so you can fill them in the up and coming cold months with all your cabin fever ties (we know, we're not ready for that season yet either). Grab a handful of boxes and fill them with your favorite fish catching flies.
