It would be impossible to claim that you didn't know.

Why?

Why do people think they can do whatever they want at any time ?

Decent amt of people "do(ing)whatever they want at any time" this AM. Not a ton, but some biking and running ... maybe they didn't know.

I think the NPS is trying to actually look out for your safety and the security of the grounds and artifacts. If they're working with a skeleton crew, they don't have the normal resources to ensure either. It's not their fault.

LMFAO
