Hi Keith,

There's one place that I would trust completely to buy hair from over the phone.

Chris Helm of Whitetail Fly Tying Supplies.

If you call Chris and tell him the pattern and size of the flies you plan on tying, he'll pick out the perfect piece of hide for your application. He's already put me on speaker phone and tied a sample fly to make sure the hair was just right.

Chris is world famous for being one of the foremost authorities on deer and elk hair, and he's a super nice guy to deal with. IMO, best of the best.

I agree with Ed.

Chris is one of the most knowledgeable people on animal hair. Just tell him the fly you are tying and the size and he will send you a top quality piece of hair.
