Hey everyone! Some of you guys might remember this from last year, but I started a fly fishing club at my school. On Saturday, October 26th we will be going down to the Heritage Section of the Little Lehigh.

There will be 9 students and 1 adult representing the club. What I hope is that we can get a handful of people to help out and go fishing with the kids for the day, give them pointers, advice, and guidance.

It will probably be from around 9 or 10 to 3 or 4. We will determine the specific times a little later. This event was very successful last year, and all the kids had a fantastic time. Hoping to recreate that experience for the new members of the club this year.

So, if you think you could make it, or know you can make it, please post it in a comment below. Thank you!
