Just out of curiosity I called cabelas and spoke to customer service and they transferred me to another person about the rod. He said it was 100% American made and I asked if he could tell me the producer. I rattled off some names and he said they were not made by those mentioned. The only two I forgot to say were sage and orvis and when I did he just laughed and said well it has a 25 year warranty. Orvis seems to offer the same so I wonder if the American Dream rod really is an orvis with a cabelas name on it.
