Thanks Andy for putting this together. I had a great time, met good guys, and learned a little about the Main. All in All a great time.

Sorry Sunday sucked, but I'm glad I decided to head home early based on your report. Got home around Noon and had to power washed about 2 pounds of tobacco out of the boat before I gave it back to my Dad. Glad we got some floats in.... helped to get some practice rowing the drift boat.... which I still need work on
