Thanks again Andy for organizing this. I had a blast and really enjoyed meeting everyone and getting to fish with some new folks. The fishing was tough but I managed to catch the two biggest trout I have ever caught purely by luck. Thanks Stimey and Beeber for taking me on some floats. The girlfriend wanted to shoot me when I came home and said I now need a pontoon boat! I will admit that PhilC and I did go down to Andy and Josh on the links and ended up lighter in the pocket. A rematch will definitely have to be in order.
