IMO it should be left alone for awhile if not indefinitely. See Tomi's post. But I can certainly understand the other side of the argument especially since Big Spring has been dicked with so much.

No offense intended to most of the stream work done already, but why not see what happens now?

no I agree, that was kind of my point - you don't know if big brookies and big rainbows will result.

btw, i was tongue in cheek about the steelhead as i saw you'd signed up for the November Jam..... 😊
