I fished north of the section in question this morning. Ran into 3 guys that said they were asked to leave while they were fishing through. Dude at Elk Ck Sports also said he was aware that it was reportedly posted but he didn't confirm that it was legal or just a scam. He said the nursery owns the land south of the Conrail tubes but everything north of there was owned by individuals. Best to just wait to hear from the PFBC.

btw the fishing sucked.
