It's a nice town. Fly shops I like are Dette's (oldest flyshop in US), Catskill Flies, and Baxter house. Little Store has a nice collection of local flies in old time general store environment. Fly Fishing Museum is a good stop.

BTW, NY trout season closes Oct 15. Therefore, need to fish special regs areas like Beaverkill and Willowemoc No-Kill areas and border waters with PA. E Branch from Shinhopple down and Beaverkill below 206 are open to Nov 30. Be sure to check regs before you go.

Late Oct is past prime leaf season and fishing will be mostly nymphs and streamers - but olives are a possibility on an overcast day.
