I'd like to give a big thank you to DaveS for lending us his boat for the weekend. Dave is a great guy and has hosted me several times in his boat this year. His generosity really made this trip for me a success.

Also a big thanks to Andy. He did a great job getting this group together and his knowledge and generosity are very much appreciated. He really made sure we knew the what, where and when of the river. Truly a class act !

I would also like to thank Shadow Fly Rods for lending me the demo rod for the trip. I ended up walking away from the trip as a fan of the rods. They performed very well on the Delaware and have definitely found a home in my rod rack.

The only part that sucks about fishing trips is coming back to work

EARTHY !
