I'm looking to clean a few items out of the closet that don't get much use anymore.

I have a Cortland Endurance I Cassette Reel-with a total of 5 Cassettes. It comes with 4 6wt lines- floating, clear int, type 3, 10 foot type 6 sink tip, and one spare empty spool/cassette. asking \$80 obo

Cabelas RLS 2 6wt reel with backing- used 1 season. \$50 obo

Extend a Truck hitch extender- An L shaped metal piece that plugs into your hitch, giving you a few extra feet to strap things to. Great for kayaks and canoes. \$50 obo

Cortland CL 8foot 2 piece 5/6wt Rod- \$10, or i'll throw it in with one of the reels for \$5

I also have a Rio Max II 30 foot shooting head 250gr. type 6 sink-\$10 obo

and an Orvis Wonderline 11wt int in brown- \$10 obo

Cash or money order only. I prefer to meet in person and i'm willing to meet just about anywhere in the eastern half of the state, but if i have to ship something we can work it out. I will post pictures of the items tonight.
