Here's the DCNR map, for what it's worth. They hold all of these to be navigable. Again, they don't get the final say, so this doesn't mean that a judge would agree!

<http://www.dcnr.state.pa.us/forestry/...ublicstreambeds/index.htm>

None of the Erie tribs are included. But nor is the list all inclusive, i.e. a stream may not be on the list and still be "navigable".
