Just saw this online. Yeah. They're promoting this line big time.  
No way a would they use a truly "small manufacturer"...

The advertisement features a photograph of a fly fisherman in a river on the left. On the right, a dark teal background contains the following text: "MADE IN AMERICA" in white, "FLY RODS & REELS" in large white letters, "American Dream Fly Rod & WLz Fly Reel available now!" in white, a "SHOP NOW" button in a light teal box, and the "Cabela's" logo in yellow script at the bottom.
