The swap is on. I'll try to make this as clear as possible. Being that we have seven people, please send me twelve of the same fly (which means everyone gets two of each other's pattern). Attached to each fly, please include your name/handle and the fly's name.

Please send your flies in something sturdy, so I can return your new flies in that same container. Please also include a self-addressed stamped envelope.

The patterns should all be steelhead flies, usable in PA or NY. These may be wet flies, classic streamers, etc. Please no basic egg patterns or sucker spawn, unless it is a unique twist on the original.

Finally, please have the flies in the mail by October 31, which gives you two weeks to tie and get to the Post Office. Once I receive all of the flies, I will immediately return them. If you are unable to participate for ANY reason, please let me know immediately so I can inform everyone.

For my address, PM me and I will send it that way.

Those that are in this Fly Swap are:
