So you don't see the value of having the resources here, having US laws prevail, and not having an Arab with his hand on the faucet?

did you even know that the biggest importer of Oil to the US is Canada ?

or that we import more oil from Venezuela and Mexico than the Persian gulf ?

cos if you didn't, with all due respect there's no use us even having the conversation cos you're not even on the same level. not even close Dude...

I think I'll get by. What historical event raised the issue of American energy independence? When we discuss American energy independence what is the core issue involved?

if you didn't know the answer to those two questions there's no point me having a battle of wits with an unarmed combatant is there ?

this ain't 1973 Buddy.
