I arrived at the Piney Hill Rd parking area about 10:00 AM to be the 5th car in the 4 car lot. I figured everyone was upstream so I headed down to the bridge and fished back to the car. The water was perfect, good flow and great color. I didn't get a water temp but it felt ideal. I caught one on a beetle and six on nymphs in the 3 hours I was there. All browns. I was somewhat surprised since they just stocked it with rainbows.
