Welcome to the area! I would also recommend the same spots. But I also fish the Roaring Creek in the Weiser State Forest. Near Natalie. I fish between the dams and also off of Route 42. Fishing is ok most of the time, but the scenery is absolutely gorgeous. You can't drive in, but you can use the parking areas and walk in. It's all catch and release as well. Good Luck. Keep us posted. Always looking for new waters to fish as well!
