I'm out West right now...was doing some thrift store shopping in NV and spotted a silk fishing vest. Yeah. Silk.

iiirc, upper and lower velcro'd pockets, plus two zippered lower pockets under the other ones. Zipper plus one snap across in the middle. New condition. Light gray. I think the size is large. Not sure. I can check on that today, if it's still there. Those things must go like hotcakes.

If someone wants it, I'll buy it and send it at my cost- \$16- plus mailing expenses.

Offer good for this weekend only, then I'm moving on.
