URL:

Greetings guys! Looking to sell or trade my Simms Headwaters waist pack. I used it about 4 times and then switched to an orvis gale force. Bag was great except for the fact that I am vertically challenged and the bottom got wet when i would wade.

Looking for a Patagonia Stealth atom sling to ride high on my back. Will look at trading for orvis sling as well.

Asking \$40 or will accept a trade and add cash to make up difference.
