Unfortunately, you have to travel south and east to get to the prime trout waters. There is a creek called Millers Run in Cecil Pa that gets stocked in the spring but not pretty. Little Chartiers Creek also called Linden Creek is stocked in April. It's located off Rte 519. Mingo Creek park is also nearby. The Erie steelhead streams are also an option if you are looking for big trout. That's a 2 hr detour North on I 79 though. I would recommend getting a copy of Dwight Landis' book on Pa trout streams. It's very comprehensive.
