+1 for Manada and Quittie. If you only have 2-3 hours, too much road time for the Yellow Breeches or Letort - closer to 40 minutes.

Would not recommend Spring in Harrisburg unless you know the area. And I do not mean local stream knowledge. I mean "lock and load" knowledge. Its an urban stream, flowing through some of the most depressed parts of the city.

I am a big supporter of the Harrisburg region, but facts are facts.
