Not much happening from the surf, at least during the day.

Yesterday's Report from Betty and Nick's: *UPDATED 5:04 AM Other than just a few fish at night, and that's really only if you know what you are doing, fishing during the day in this area has been absolutely awful. Thankfully if you come here to fish, it's nice and easy on you with serene conditions. Other than that, things are terrible.*

Here is today's video report from Betty & Nick's:
