instead of getting on 76 take 79 north. Slippery Rock exit will get you to slippery rock cr which has decent trout fishing. look grove city exit will lead you to Volant to fish Neshannock Cr. <http://www.ncflyshop.com/index.stm>

the other detour worth stopping on your way back to MI are the Lake Erie tribs. Both PA and OH tribs will be fishing good well into the winter, until they ice over. PA tribs to fish are 20 mile, Elk, Walnut or the mouth of any trib you see on a map. OH tribs to fish are Conneaut, Vermilion, Rocky, Chagrin and Grand rivers.

You can access any of the tribs from I90 on your way to MI.
