Really, I do. For about 2 years, I have fished very rarely. And I miss it.

I envy you all when I read of your adventures astream.

Did I mention I miss it?

I could go right now. I mean it is possible. But there are other more important things to do. So,...

Is fly fishing just for folks with nothing more important to do? Or does it let you do important things, after you have taken the time to go fly fishing?

Please add your thoughts.

Fly-fishing *is* very important....it replenishes the soul. Don't risk riding on empty. Get out there today.
