NS,

That top photo looks like the one my buddy sent me. He met a guy that was walleye fishing in the Susky and took a brown over 27" on a minnow.

Sas,

I've extended the offer to take you north but you always veer left and end up on Pine. If you join us, you'll get to cast dries to risers in the 18-25". It doesn't happen every day but it happens a lot more than you think.

I think I estimate on the shy side of things. During the Catskill Jam in October, you can ask Stimey and martin0206.....I'm brutal on estimates. The opening of the net is 21" and if the fish wasn't as wide as the net... I'd yell "that one's 15", get him back in the water quick." :))
